## Doctor, Lawyer, Indian Chief — Well not quite, But for certain a Great Rotarian

### Sarasota Keys Rotary

On last week we had a wonderful and informing classification talk from club member **Bill Sikes**. Who would have known that our illustrious web master was once an Indian in training. We learned a lot as he shared

of his childhood experiences with a *bow and arrow*. We will never know if he would have made a good Indian, but we do know that he has made a great Rotarian.

Bill has a B.S. in Engineering Physics, his desires to pursue Law were placed on hold as he served in the armed forces. During his military career, while working in Vietnam, he was the lone survivor from an attack on his unit. Bill, is a walking hero. After leaving the military he spent the next forty years working in the U.S. Patent office. He

designed and implemented the computer software management program for the Patent office!!!!

Since retiring to Sarasota he has been active in Computer Software design and is the brains behind our website. **Bill Sikes**, club secretary, and now **Commander-In-Chief of the Sarasota Keys website and all things technical**. We are glad to have you as a member, *you are one of the reasons that we are the best Rotary Club in the world.*

## Members Corner: Tony I.

If you are an Opera fan, there is a person in the final opera *Mozart's Cosi Fan Tutti* who may look familiar. It's our own Rotary president **Dave Pilston**. There is still time to see a final performance on Sunday at 1:30.

Two new potential member have turned in applications to join our club. **Dudley F "Lee" Waters** a retired Air force Officer and **Mona L Gordon**, President of a Spanish-English translating company. Mona is a Rotarian and was once District Governor in Puerto

Rico. They must be approved by the Board and then will be inducted in our club. I have heard that **Sandy Keboe** a former member of out club who left because of a conflict with her job may be coming back. I hope it is true!!

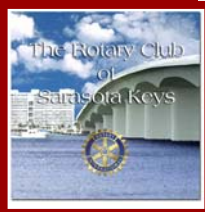

**Bob** and **Shirley Zimmer** have returned from Taiwan after a school dedication that he was involved in when he lived in there. **Bob's** first book tells all about their worldly travels. If you have not read it ask Bob where you can get a copy. He has just finished

his second book. He has surpassed me in Book writing. I'm still working on my second book

I checked with the Juvenile Diabetes Research foundation and it looks like our contribution is **\$2700**. The best ever. **Bob Zimmer** was the Captain of the project but was in China when it took place. That did not stop him, his Grandson collected \$297 to bring us over the top. I hope Bob invites him to one of our lunches
