After last week's meeting, there was no doubt that Richard King is passionate about education. His life has been dedicated to the pursuit of learning and

helping to impart the skill of teaching to others.

Richard King is Professor and Associate Dean at the University of South Florida. His responsibility is to oversee undergraduate and graduate programs that prepare educators at the Sarasota/Manatee campus. Prior to moving to Florida in 2006, He held professorships at the University of Northern Colorado, the University of

North Carolina at Chapel Hill, the University of New Mexico, and State University of New York (SUNY) at Fredonia. He earned his Ph.D. in Educational Administration.

Richard has devoted his life to improving the quality of education for all students. It was evident that he has strong belief that quality education is a power that everyone should have access to.

## Members Corner: Tony I.

**Great job!** I was at the *Relay for Life* Friday, April 18, 2008 held at Sarasota High School. About one thousand people turned out. The event started at 6 PM and went until 11 AM Saturday morning. I was there for the *Millennium of Lights* when cancer survivors told some awesome stories. They later circled the field following the bag pipers. Candles were then lit all around the field. About 50 young people from the Sarasota Military Academy were present. 25 stayed all night taking turns walking.

The Tent which our club provided was headquarters for the group. **Steve Panitch** and his wife along with two other adults stayed the night as chaperones. **Burt Bershon** came about 8:30

and provided hamburgers and fries from MacDonal'd's.

The Final tally is not in but the *Interact club* raised \$4,000. The entire group which included young people from other high schools and business groups raised \$175,000. I wish more club member could have been present to provide support to our Interact students.

**Arnold Fein** had cataract surgery and has missed a few meetings, he will be back soon.

**Lou Auricchio** has been out sick for few weeks, he is better now and we should see him soon.

Wow, what a week! Our club was able to get two more students approved for the S4TL (*Seminar for Tomorrow's Leaders*.) The

foundation has approved the funding for the 4 students who will be going in June.

**Dave Pilston** and I interviewed a total of 7 students. It's too bad we can't send them all. We picked the most outstanding of the group.

Lunch today: *Roast Turkey with stuffing, Mashed potatoes and a veggie. Pumpkin pie and sticky buns.* Wow, time goes by fast. It's Thanksgiving already?

**Wife:** what are you doing?

**Husband:** nothing.

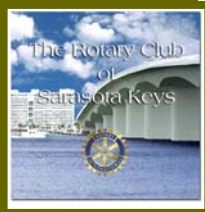

**Wife:** you have been reading our marriage certificate for an hour.

**Husband:** I was looking for an expiration date.

Tony I.
