Last week's Rotary meeting had to be one of the best ever. It was a strong reminder of why we do what we do. I am certain that Paul Harris, the founder of Rotary along with the founders of our club were beaming with pride as we witnessed the impact that Rotary and our club is having on the next generation. We had the opportunity to hear from the four young people that we sponsored for Rotary's week long Seminar for Tomorrow's

Leaders (*S4TL*). The four students pictured above (*in alphabetical order*) are Andrew Cerchio, Diesi Hendon, Gerald Law II and Matthew Mckinnon. As they shared what they learned, and their experiences it was evident that Rotary is changing lives.

In addition to our S4TL delegates we also had the opportunity to hear from Jennifer Panitch. She will represent our district and this club on a year long youth exchange to

Finland. Jennifer will be leaving in two weeks. After hearing from them the meeting ended with a surprise twist as the former Assistant District Governor, and Sarasota Keys club member, Steve Panitch (*who also happens to be Jennifer's father*) presented her with a Paul Harris Fellow.

The entire meeting left you with a feeling of pride knowing that we as an organization are making a difference in our community and world.

Service Above Self

Members Corner: Tony I.

You will have to excuse *Marvin* for his faux pas in the last issue of the Key Notes. Vanna White is not on Jeopardy, she is on Wheel of Fortune. I asked Marvin about and he said he just wanted to see how many people noticed it.

At our second meeting at the University Club they put us in the attic. They had another group in the main Dining room, *The Young Professional Group*. The food manager said they heard us sing the Rotary song last week and thought it best to go upstairs. It was however a lovely room.

The meal and service were very good and we had 4 young people who went to the S4TL in June all were enthusiastic about the experience gained with contact of 176 other young people from all over the regions.

In attendance were *Matthew McKinnon, Diesi*

Hendon (Marvin's daughter) and Gerald Law II from the Westcoast School. *Andrew Cerchio* from the Sarasota Military Academy was also present. Andrew and Matthew, have applied to go back to S4TL as instructors next year. Lets hope they make it.

Another surprise was the final appearance for this year of *Jennifer Panitch* who will be heading to Finland as a youth exchange student. We can't wait until she returns (*neither can her Parents*) and tell us about her adventure. *Steve Panitch*, as a bon voyage gift, made his daughter a Paul Harris Fellow. He presented her with the Badge and Medallion, while her proud mother, *Karen Panitch* looked on. She was actually taking movies all the time getting ready to show at her coming home party. I think they have reserved Michaels On East for the Party and all the Keys

Rotarians are invited. You can bring your wives, husbands significant others, your children and Grand children!!!!

Anyone interested in a good summer salad, go to "*anthony' mediteranean tomato salad*" on the web. If you have my book go to page 45. The government says it's safe to eat tomatoes. Sorry I'm running out of material for the members corner. I can use some input or the members corner will look like it came from Emerile Lagasse

Today's Lunch *Salisbury steak, with garlic mashed potatoes, vegetable Du jour, Vanilla ice cream* with chocolate sauce and cookies.

This weeks Latin Phrase *Male dictum interpretando facias acrius* Explaining a bad saying makes it worse.

Tony I.

Congratulations to Jennifer Panitch
